**RESPONSE TO OFFICE ACTION**

Hon. Commissioner of Patents and Trademarks  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In response to the Office Action dated April 29, 2005, we provide the following response.

Remarks

Reconsideration and allowance of the subject application are respectfully requested.

Rejection of Claims 11-27 under 35 U.S.C. §251 as Being Based Upon New Matter

In the April 29, 2005 Office Action, claims 11-27 are rejected as being based upon new matter added to the patent for which reissue is sought. Specifically, the Examiner is objecting to the following terms and phrases: (1) anhydrous process; (2) biodegradable polymer; (3) first organic solvent; (4) second non-polar organic solvent suitable to extract residual first organic solvent; and (5) biologically active material-stabilizer matrix. The Examiner has stated that this application as originally filed fails to provide sufficient written description to support those concepts recited in the claims.
